### **What is the SMArt Tank Session?**

This event is designed to benefit SMA creatives, whether entrepreneurial or intrapreneurial, technical or business model focused. Fifteen individuals and/or startup companies that are excited to apply Shape Memory Alloy (SMA) technology in a unique way will be selected. A 5-minute pitch will be made publicly with designated panel members providing feedback. The winner, who will be selected immediately following the session, will receive bragging rights, awards, and invited access to investors in the field.
